Narrative of William W. Brown: A Fugitive Slave

by William Wells Brown

The Narrative of William W. Brown, a Fugitive Slave, was published in 1847. The subject of this narrative, William Wells Brown, was born a slave. With a climate favorable to agriculture and soil rich, the products came in abundance. However, the news came to them that the mother had been sold to a slave speculator. The suffering of the fugitive was greatly increased by the cold. Douglass and Brown used different strategies that were available to them. By then, Douglass had written the first version of his fugitive slave autobiography, Narrative of the Life and Adventures of Frederick Douglass, an American Slave. William and had no intention of sharing his name with a slave. The Narrative of William W. Brown: A Fugitive Slave - With a Full Description of the Underground Railroad (1873), James Williams. Daddy Darwin’s Dovecot and Other Stories (Illustrated Edition) (Dodo Press).
