Stealing Democracy: The New Politics of Voter Suppression

by Spencer Overton

Spencer Overton Huffington Post 1 Jun 2016 is president of the Joint Center on Political and Economic Studies and author of "Stealing Democracy: The New Politics of Voter Suppression." Stealing Democracy: The New Politics of Voter Suppression by Spencer Overton. Voter suppression in the United States concerns allegations about various efforts, legal and illegal. A political party sends registered mail to addresses of registered voters while inappropriately discarding voter registration forms where the new voter had chosen to register with the Democratic Party... Stealing Democracy.
